GRAY HAIR?
DON'T BE DISCOURAGED!
Simply wet it with Canute Water. A few applications will completely re-color it similar to its former natural shade. IN ONE DAY—if you wish. Then simply wash once a month and KEEP it young-looking.
Canute Water is not a tint or rinse that washes off. Shampooing actually improves the rich, warm new color and leaves your hair fresh, clean and natural to the touch. You may even cut it or get a perm.

CANUTE WATER

Leading dealers in most of America's largest cities sell more Canute Water than all other hair colorings combined!

* Pure, colorless and crystal-clear. * 30 years without injury to a single user. * REALLY SAFE! Skin test NOT needed. * Proved harmless at one of America's Greatest Universities. **No other product can make all these claims**

Wells, and Mr. Vernon Day Payne, son of Mr. and Mrs. Clarence Payne of Kensington. The Rev. Karl Newell officiated at the ceremony and a wedding supper at the Anchorage in Sandy Spring followed.

The bride, who was given in marriage by her father, wore a gown of satin with fitted bodice, full skirt and long train of mousseline. Her illusion veil was of finger tip length held with orange blossoms. She carried a shower bouquet of point roses and baby's breath.

Mrs. Edmund Robertson was her sister's matron of honor, wearing a gown of shell pink taffeta and net made on the same lines as the bridal gown, and she carried a shower bouquet of spring flowers. The bridesmaids were Mrs. Frank Hoadley of Boston and Miss Mary Wells, another sister of the bride. They were costumed in aqua, the same style as the matron of honor. Little Miss Joan Dare Ward, niece of the bride, was flower girl and wore an old-fashioned styled gown of pink net with aqua velvet trimming. She carried a miniature shower bouquet of sweetheart roses.
